

CompuTeen Weebly Website Rubric!

Remember, choose a book you
really WANT to read!
Almost anything counts!

Categories: Best Review, Most Creative, Digital Literacy, Overall

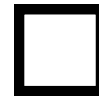

What will be judged for each?

Which do you want to enter?
(Choose 1)

Best Review:

1. Number of reviews
2. Quality of review
(grammar, punctuation, spelling, and style)
3. Is it interesting? Do you make people want to read the book or stay away from it?
(Either is fine, it's your opinion!)

Most Creative:

1. Website Layout and Design
2. Type and creativity of review
(Illustration, poem, character bio's, write your own ending, anything that is outside the box!)
3. How Creative is it? OMG it's amazing! Everyone wants to look at it!

Digital Literacy:

1. Combines the most digital elements
(links, videos, animations, prezis, or anything else that makes the website interactive!)
2. How the digital elements support the review
3. Layout and Accessibility
(do all the links work? Is it easy to use? Creativity counts too!)

(Check this out!)

Overall:

1. WOW your website review combined everything!
2. It's creative, well written/drawn/filmed/etc, and it combines a bunch of different elements!

Everyone is automatically
entered for Best Overall!
